

Architectural Visions, LLC's ("AVI") Limited Lifetime Labor Warranty ("Limited Warranty") applies to the installation of products purchased from and installed by AVI ("Covered Product"), and extends to the original owner or occupant of the structure for which the products were purchased and installed ("Covered Installation"). This Limited Warranty is transferable one time to another owner.

AVI guarantees that all installation work performed in connection with a Covered Installation will be free of Installation Defects for the life of the Covered Product. An "Installation Defect" is an installation error that significantly impairs the proper operation of a Covered Product. If AVI is given prompt notice of an Installation Defect, AVI will, at its sole option: 1) repair any such Installation Defect, 2) replace the Covered Product, or 3) refund the original purchase price of the Covered Product.

Additionally, AVI will provide labor at no charge to address any product performance issues that are covered under the warranty of the original manufacturer of a Covered Product.

This Limited Warranty shall take effect after the Covered Installation has been completed and AVI has been paid in full.

Transferability

This Limited Warranty is granted only to the original owner or occupant of the structure for which the Covered Installation was performed and applies only to installations completed by AVI; provided, however, that the original owner or occupant may transfer this Limited Warranty one (1) time to the immediate, subsequent homeowner of the applicable premises (the "Initial Transferee"), subject to the completion of documentation satisfactory to AVI.

This Limited Warranty terminates immediately upon the transfer of ownership of the premises to anyone other than the Initial Transferee. No additional transfers are permitted.
